DII Industries, LLC Asbestos PI Trust

ANNUAL REPORT FOR THE YEAR ENDING DECEMBER 31, 2006

Pursuant to Article 5.1(a) of Debtors' Fourth Amended and Restated Joint Prepackaged Plan of Reorganization Under Chapter 11 of the United States Bankruptcy Code (the "Plan") and Article 2.2(c) of the DII Industries, LLC Asbestos PI Trust Agreement (the "Trust Agreement"), the Trustees of the DII Industries, LLC Asbestos PI Trust (the "Asbestos PI Trust"), Alan R. Kahn, Mark M. Gleason, and the Hon. Robert M. Parker (the "Trustees"), make the following Annual Report for the year ending December 31, 2006 (the "Annual Report"):

A. Financial Statements.

Article 2.2(c)(i) of the Trust Agreement, requires the Annual Report to include the "financial statements of the Asbestos PI Trust (including, without limitation, a balance sheet of the Asbestos PI Trust as of the end of such fiscal year and a statement of operations for such fiscal year) audited by a firm of independent certified public accountants selected by the Trustees and accompanied by an opinion of such firm as to the fairness of the financial statements' presentation of the cash and investments available for the payment of claims and as to the conformity of the financial statements with generally accepted accounting principles." Attached as Exhibit A is a copy of the DII Industries, LLC Asbestos PI Trust's Financial Statements with Independent Auditors' Report for the Period January 1, 2006 to December 31, 2006 (the "Audited Financial Statements"). As required, the auditor for the Asbestos PI Trust, Travis Wolff, has

provided an opinion as to the fairness of the financial statements' presentation and of their conformity with generally accepted accounting principles. As Note 2 of the Audited Financial Statements states:

The Trust's financial statements are prepared in accordance with accounting principles generally accepted in the United States of America on a special purpose presentation basis which does not include the Trust's estimated claims liability. The special-purpose basis of accounting has been used to better communicate to the beneficiaries of the Trust the funds available to satisfy current and future claims as well as operation costs of the Trust.

...

The Trust, under the adopted special purpose accounting convention, does not record the liability for future claims expected to be filed over the life of the Trust. The Net Claimants' Equity is available for (i) the payments of the allowed Asbestos Claims and (ii) operational expenses of the Trust.

B. Claims Summary.

Article 2.2(c)(ii) of the Trust Agreement requires the Annual Report to include "a summary regarding the number and type of claims disposed of during the period covered by the financial statements." A summary of the number and types of claims disposed of is attached hereto as Exhibit B.

C. Trustees' Fees.

Article 4.5 of the Trust Agreement provides that the Annual Report shall include a description of the amounts paid to the Trustees in 2006. Total fees paid to the Trustees in 2006 were \$941,286. During the time period, the Trustees devoted a significant amount of time to establishing and implementing the workings of the Trust, dealing with the termination and wind down of a pre-existing relationship with the Trust's claims processing facility, establishing a relationship with a new claims processing facility after

conducting an evaluation of and search for a new claims processing facility, extensive and ongoing contract negotiations with the new facility, creating a new processing system for claims, revising the claim form for use with the new electronic claims processing system, revising the Trust Distribution Procedures, monitoring litigation filed against the Trust, monitoring the Trust's portfolio and evaluation of investment managers and investment approach and otherwise generally administering the Asbestos PI Trust.

D. Trust Advisory Committee Fees.

Article 5.6 of the Trust Agreement provides that the Annual Report shall include a description of the amounts paid to the Trust Advisory Committee ("TAC") in 2006. Total fees paid to the TAC and its counsel for 2006, were \$162,876. During the time period, the TAC devoted time to consulting on the termination of the pre-existing claims processing facility, providing input on Trust policies and procedures, revision of the claim form, participating in the quarterly and other meetings and conference calls with the Trustees, and otherwise generally advising the Asbestos PI Trust on administration, policy, and claims matters.

E. Legal Representative Fees.

Article 5.6 of the Trust Agreement provides that the Annual Report will include a description of the amounts paid to the Legal Representative ("LR") in 2006. Total fees paid to the LR and his counsel for 2006 were \$247,186. The LR devoted time to consulting on the termination of the pre-existing claims processing facility, providing input on Trust policies and procedures, revision of the claim form, participating in the

quarterly and other meetings and conference calls with the Trustees, and otherwise generally advising the Asbestos PI Trust on administration, policy, and claims matters.

INDEPENDENT AUDITORS' REPORT

To the Trustees
DII Industries, LLC Asbestos PI Trust

We have audited the accompanying special-purpose statements of net claimants' equity of DII Industries, LLC Asbestos PI Trust (the "Trust") as of December 31, 2006 and 2005, and the related special-purpose statements of changes in net claimants' equity and cash flows for the year ended December 31, 2006 and for the period from January 20, 2005 (inception) to December 31, 2005. These special-purpose financial statements are the responsibility of the Trust's management. Our responsibility is to express an opinion on these special-purpose financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control over financial reporting. Accordingly we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

These financial statements were prepared on a special-purpose basis of accounting, as described in Note 2, and as such do not include the Trust's estimated claims liability which would be required for these financial statements to be a complete presentation of the Trust's liabilities and expenses. The special-purpose basis of accounting has been used to better communicate to the beneficiaries of the Trust the funds available to satisfy current and future claims as well as operational costs of the Trust.

In our opinion, the accompanying special-purpose financial statements referred to above present fairly, in all material respects, the net claimants' equity as of December 31, 2006 and 2005, and the changes in net claimants' equity and cash flows of the Trust for the year ended December 31, 2006 and for the period from January 20, 2005 (inception) to December 31, 2005, on the basis of accounting described in Note 2.

This report is intended for the information and use of the Trustees, management of the Trust, and for filing with the United States Bankruptcy Court for the Western District of Pennsylvania - Pittsburgh Division and should not be used by anyone other than those specified parties. This restriction is not intended to limit distribution of this report, which, upon filing with the United States Bankruptcy Court for the Western District of Pennsylvania, is a matter of public record.

DII INDUSTRIES, LLC ASBESTOS PI TRUST

Notes to Financial Statements

Note 1 - Description of the Trust

General

The DII Industries, LLC Asbestos PI Trust (the "Trust") is a Pennsylvania common law trust, and is a Qualified Settlement Fund ("QSF") within the meaning of Treasury Department regulations issued pursuant to Section 468B of the Internal Revenue Code (the "IRC"). The Trust was created on January 20, 2005 in connection with confirmation of the Chapter 11 Joint Plan of Reorganization (the "Plan") for DII Industries, LLC, formerly Dresser Industries, and certain of its affiliated debtors and debtors-in-possession (the "Debtors"). The Debtors were all wholly-owned affiliates of the Halliburton Company ("Halliburton"). The Plan was confirmed by a confirmation order entered on July 21, 2004 by the United States Bankruptcy Court for the Western District of Pennsylvania (the "Order"). The Order was affirmed by the United States District Court for the Western District of Pennsylvania on December 1, 2004. The Plan became effective on January 20, 2005. The purpose of the Trust is to assume the asbestos liabilities of the Debtors, Halliburton, and certain of its affiliates related to the operations of Harbison-Walker Refractories Company, Kellogg Brown & Root, Inc., Dresser Industries, Inc. and certain other businesses, and to use the Trust's assets and income to pay holders of those asbestos liabilities in such a way that all holders of similar asbestos claims, both current and future, are treated in a substantially equivalent manner.

Halliburton and its affiliates were granted the protection of a permanent channeling injunction entered by the Bankruptcy Court and the District Court in connection with the Order. The injunction enjoins the assertion of Asbestos Unsecured PI Trust Claims ("Asbestos Claims") against those entities and channels such claims to the Trust for resolution and payment.

The Trust is governed by a Trust Agreement and Trust Distribution Procedures ("TDP") that establish the framework and criteria for allowance and payment of asbestos-related claims by the Trust. There are eight disease levels specified in the TDP. Claimants have the option of selecting the Expedited Review process or the Individual Review process as defined in the TDP. Each claim which meets the medical and exposure requirements of the TDP for a particular disease level may apply for Expedited Review and a specified amount. Claimants also have an alternative, under the TDP, to submit additional documentation and request a more expansive Individual Review of their claim in which case claims may be allowed within a range of values.

The Trust's assets consist primarily of cash and cash equivalents and investment securities, which, with the earnings on such investments, are intended to be totally consumed by the allowance and payment of claims and operation of the Trust. The percentage of the amount of each allowed claim that will actually be paid will be determined by projections of total allowable Asbestos Claims and operational expenses of the Trust, on the one hand, and total assets and net earnings, on the other. The Trustees have adopted a payment percentage of 100 percent. Claims forecast estimates are presented in Note 7. The Trustees are fiduciaries to the beneficiaries of Trust and are responsible for administering the Trust and the Trust's assets in accordance with the Trust Agreement, the TDP, and the Plan.

Notes to Financial Statements

Note 1 - Description of the Trust - (Continued)

Termination

Section 7.2 of the Trust Agreement provides that the Trust shall automatically terminate on the date (the "Termination Date") 90 days after the first to occur of the following events:

- the Trustees, in their discretion, decide to terminate the Trust because (A) they deem it unlikely that new Asbestos Claims will be filed against the Trust and (B) all Asbestos Claims duly filed with the Trust have been liquidated and paid to the extent provided in the Trust Agreement and TDP, or disallowed by a final, nonappealable order, to the extent possible based upon the funds available through the Plan, and twelve (12) consecutive months have elapsed during which no new Asbestos Claims have been filed with the Trust;
- if the Trustees have in place access to sufficient assets and have established claims-handling agreements and other necessary arrangements with suitable third parties adequate to discharge all expected remaining obligations and expenses of the Trust in a manner consistent with the Trust Agreement and TDP, the date on which the Bankruptcy Court enters a Final Order approving the sufficiency of such assets and other arrangements; or
- to the extent that any rule against perpetuities shall be deemed applicable to the Trust, twenty-one (21) years less ninety-one (91) days pass after the death of the last survivor of all of the descendants of the late Joseph P. Kennedy, Sr. of Massachusetts living on the date hereof.

On the Termination Date, after payment of all of the Trust's liabilities have been provided for, all remaining assets of the Trust shall be applied to such charitable purposes as the Trustees in their reasonable discretion shall determine, which charitable purposes, if practicable, shall be related to the treatment of, research regarding, or payment of claims related to, asbestos-caused disorders.

Note 2 - Summary of Significant Accounting Policies

Basis of accounting

The Trust's financial statements are prepared in accordance with accounting principles generally accepted in the United States of America on a special-purpose presentation basis which does not include the Trust's estimated claims liability. The special-purpose basis of accounting has been used to better communicate to the beneficiaries of the Trust the funds available to satisfy current and future claims as well as operational costs of the Trust.

DII INDUSTRIES, LLC ASBESTOS PI TRUST

Notes to Financial Statements

Note 2 - Summary of Significant Accounting Policies - (Continued)

Cash and cash equivalents

The Trust considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents. Cash equivalents are carried at cost, which approximates fair value.

Investments

Investments in equity and debt securities are stated at estimated fair value on quoted market prices. Changes in fair value are recorded as reductions or increases to net claimants' equity. Realized gains and losses on investments in securities are calculated based on the specific identification method. Investments in hedge funds are stated at fair value as determined by the hedge fund and investment manager. The Trust records securities transactions on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest is recorded on an accrual basis. All investments are considered to be available for sale.

Claims and claim processing expense

Amounts due to claimants for allowed claims are recorded when approved and paid. Claim processing expenses are recorded as incurred and are included in operating and legal expenses on the statements of changes in net claimants' equity.

Property and equipment

Property and equipment are stated at cost, less accumulated depreciation and amortization. The Trust uses the straight-line and accelerated method of depreciation over estimated useful lives of the assets. Depreciation expense was approximately \$10,000 for the year ended December 31, 2006. There was no depreciation expense for the period from January 20, 2005 (inception) to December 31, 2005.

Net claimants' equity

The Trust, under the adopted special purpose accounting convention, does not record the liability for future claims expected to be filed over the life of the Trust. The Net Claimants' Equity is available for (i) the payments of allowed Asbestos Claims and (ii) operational expenses of the Trust.

Concentration of credit risk

Financial instruments, which potentially subject the Trust to concentrations of credit risk, consist primarily of cash, cash equivalents and investment securities. The Trust maintains cash and cash equivalents at financial institutions it considers to be of high credit quality. At times, the Trust may have cash deposits in banks that exceed federally insured limits. The Trust has not experienced any losses in such accounts and does not believe it is exposed to any significant risk of loss related to cash.

DII INDUSTRIES, LLC ASBESTOS PI TRUST

Notes to Financial Statements

Note 2 - Summary of Significant Accounting Policies - (Continued)

Concentration of credit risk - continued

The Trust has a formal investment policy of placing investments in high-quality financial institutions and limiting the size of any investment with any single entity or type of investment (i.e. debt securities, equity securities, hedge funds).

Use of estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the Trustees and management of the Trust to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the financial statement date, and the reported amounts of additions and deductions to net claimants' equity during the reporting periods. Significant items subject to such estimates and assumptions include the carrying value of the hedge fund investments and the estimation of income taxes. Actual results could differ from these estimates.

Note 3 - Funding of the Trust

Funding of the Trust was set forth in the Plan. On January 20, 2005, the effective date of the Trust, the Trust received as part of the Plan \$950,000 in cash proceeds, a note receivable from Halliburton in the amount of \$30,742,628 due December 31, 2005, and 59,500,000 shares of Halliburton stock from the Debtors, which had a market value of \$2,504,652,500. The value of funding, as of the effective date, totaled \$2,536,345,128.

All shares of the Halliburton stock were sold on March 23, 2005, generating proceeds to the Trust of \$2,481,983,000, net of fees and other charges of \$46,767,000. The note receivable was paid in full at a discounted amount of \$30,685,035 by December 31, 2005. Together with \$950,000 in cash proceeds received on the effective date, net cash realized from the funding of the Trust totaled \$2,513,618,035.

The Plan also provided for additional funding through the Asbestos PI Trust Additional Funding Agreement. Under the Asbestos PI Trust Additional Funding Agreement the Debtors are obligated to pay the Trust an amount equal to any insurance recoveries in excess of \$2,300,000,000. This obligation ceases once the Debtors have paid an aggregate of \$700,000,000 to the Trust. No proceeds were received or due as of December 31, 2006 and 2005 in connection with the Asbestos PI Trust Additional Funding Agreement. No estimate of any future collection under this obligation has been recorded.

DII INDUSTRIES, LLC ASBESTOS PI TRUST

Notes to Financial Statements

Note 4 - Ownership in Trust Services, Inc. ("TSI")

In January 2005, the Trust became one of three equal owners of TSI, which had previously been owned by the Fuller-Austin Asbestos Settlement Trust and the NGC Bodily Injury Trust. Each of the three trusts owned one share of TSI stock. In August 2006, TSI repurchased DII's one share of stock under the terms of the TSI Shareholder Agreement and the Repurchase Agreement.

The Trust had a Comprehensive Services Agreement with TSI, initially expiring January 20, 2008, and automatically renewing each year thereafter. TSI provided administrative, financial, investment, and claims processing services to the Trust in exchange for a pro-rata reimbursement of TSI's expenses based on an agreed upon allocation methodology. This agreement was terminated as of August 2006.

For the year ended December 31, 2006 and for the period from January 20, 2005 (inception) to December 31, 2005, the Trust has recorded, as expenses, reimbursements paid to TSI for its management and administration services totaling \$1,178,664 and \$888,497, respectively. No amounts were owed or due at December 31, 2006. The balance of prepaid reimbursements was \$92,437 at December 31, 2005.

Note 5 - Claims Processing

The Trust reviews and determines Asbestos Claims in accordance with the TDP. The TDP provides for processing, allowing or disallowing, liquidating and paying all Asbestos Claims as required by the Plan and the Trust Agreement. For the year ended December 31, 2006, approximately \$21,200,000 of claims were processed and paid to claimants. There were no claims qualified for payment that were unpaid at December 31, 2006. There were no claims paid in 2005.

Note 6 - Property and Equipment

Property and equipment consisted of the following at December 31, 2006:

Computers and office equipment	\$	34,237
Furniture		44,110
Leasehold improvements		<u>29,844</u>
		108,191
Less accumulated depreciation		<u>(10,420)</u>
	\$	<u>97,771</u>

DII INDUSTRIES, LLC ASBESTOS PI TRUST

Notes to Financial Statements

Note 7 - Estimated Asbestos Claims

As of December 31, 2006 and 2005, the Trust's experts estimated that 1,851,886 claims will ultimately be filed over the life of the Trust. This results in a projected ultimate claim liability of \$3,663,852,130. All claims payments to be made by the Trust will be funded from the Trust's net current assets and future investment earnings.

Note 8 - Trustees' Advisory Committee and Legal Representative

The Trust Agreement sets forth the role and responsibility of the Trust Advisory Committee ("TAC") and Legal Representative ("LR"). The members of the TAC serve in a fiduciary capacity representing all holders of present Asbestos Claims ("Current Claimants"). The Trustees are required to consult with and/or obtain the consent of the TAC on certain matters identified in the Trust Agreement and TDP. The TAC is comprised of eight attorneys who are engaged by Current Claimants.

The LR serves in a fiduciary capacity, representing the interests of the future Asbestos Claimants, for the purpose of protecting the rights of persons who might subsequently assert future and unknown Demands. The Trustees must consult with and/or obtain the consent of the LR on certain matters identified in the Trust Agreement and the TDP.

Note 9 - Taxation

The Trust reports its income to the Internal Revenue Service as a designated settlement fund which is taxed at the highest rate applicable to trusts under section 1(e) of the Code, which rate is currently 35%.

The Trust's Federal income tax expense is calculated as follows:

	December 31,	
	2006	2005
Net taxable income	\$ 4,120,111	\$ 4,480,386
Tax rate	35%	35%

Note 9 - Taxation - (Continued)

	December 31,	
	<u>2006</u>	<u>2005</u>
Deferred income tax asset	\$ 5,520,890	\$ 6,044,148
Deferred income tax liability	(29,102,661)	-
Valuation allowance	-	(4,476,013)
Net deferred income tax asset (liability)	\$ (23,581,771)	\$ 1,568,135

The Trust has recorded a deferred tax asset at December 31, 2005 in the Statement of Net Claimants' Equity of \$1,568,135 relating to the expected recovery of taxes due to future net operating losses. Therefore, no federal income tax expense was recorded for the period ended December 31, 2005 in the Statement of Changes in Net Claimants' Equity. The Trust had a capital loss carryforward of approximately \$15,800,000 and \$3,500,000 as of December 31, 2006 and 2005, respectively. At December 31, 2005, management believed a valuation allowance against the deferred tax benefit was necessary. As of December 31, 2006, management believes that it is more likely than not that the deferred tax benefit will be realized. The deferred income tax liability is derived from applying the effective Federal tax rate to the net unrealized gains in the Trust's investment portfolio.

Note 10 - Investments

The Trust Agreement provides general guidelines for the investments of the Trust. More specific policies and guidelines are set forth in the Investment Guidelines which were developed by the Trust's financial advisor and adopted by the Trustees. With the assistance of the Trust's financial advisor, a nationwide search was conducted for a custody bank. The Trustees selected US Bank as its custodian. On March 23, 2005, the Trust received cash in the amount of \$2,481,983,000 in connection with the sale of the Halliburton stock. In accordance with the provisions of the Trust Agreement and Investment Guidelines, this entire amount was invested in a transition account at US Bank and then placed in municipal bonds beginning March 24, 2005. Following the adoption of an asset allocation model proposed by the investment advisor and after extensive portfolio manager searches, the Trust selected three fixed income managers, six equity managers and ten hedge funds for direct investment. The hedge fund investments and two of the equity funds invested in foreign stocks and securities are not held at US Bank.

Litigation

The Trust is subject to claims and lawsuits which have arisen primarily due to questions of interpretation of the TDP with regard to Indirect Claimants. It is the opinion of management and the Trustees that the disposition or ultimate resolution of such claims or lawsuits will not have a material adverse effect to the Trust.

Note 12 - Federal Asbestos Legislation/Common Interest Group

Federal asbestos legislation (S.852) was proposed and considered by the United States Senate that would have created a national fund to be the single source of payment for all asbestos liability claims. The proposed legislation would have taken all assets of the existing asbestos settlement trusts by requiring that they be turned over to the national fund. From its inception through December 2006, the Trust participated with other asbestos settlement trusts in efforts to protect the vested rights of its beneficiaries by seeking an amendment that would allow all existing asbestos settlement trusts to opt out of the proposed legislation.

Expenses of this effort have been recorded annually as Trust expenses in the year incurred. During 2006, the Trust and four other asbestos settlement trusts, organized under a Joint Representation Agreement, contracted for legal representation and experts to mount a constitutional challenge to the proposed legislation in the event that the group was unable to obtain the opt-out amendment and legislation was enacted that provided for a taking of the Trust's assets. The engagement of counsel and experts was on a fixed fee basis and became irrevocable on enactment of the legislation, unless sooner terminated.

On December 27, 2006, it was determined that the proposed Federal legislation was no longer a threat to the Trust, the fixed fee agreement was terminated, and the balance of the remaining fixed fee of approximately \$1,315,000, along with the balance of remaining expense deposits of approximately \$351,000, was refunded to the Trust.
