Independent Auditor's Report

Trustees
WRG Asbestos PI Trust
Wilmington, Delaware

Opinion

We have audited the special-purpose financial statements of WRG Asbestos PI Trust (the Trust) (a common law Trust originally created under the laws of the State of Delaware), which comprise the special-purpose statements of assets, liabilities, and net assets as of December 31, 2025 and 2024, and the related special-purpose statements of changes in net assets and the special-purpose statements of cash flows for the years then ended, and the related notes to the special-purpose financial statements.

In our opinion, the accompanying special-purpose financial statements present fairly, in all material respects, the net assets of the Trust as of December 31, 2025 and 2024, and the changes in net assets and cash flows for the years then ended, in accordance with the basis of accounting described in Note 2 to the special-purpose financial statements.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Special-Purpose Financial Statements* section of our report. We are required to be independent of the Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 2 of the special-purpose financial statements which describes the basis of accounting. As described in Note 2, the accompanying special-purpose financial statements were prepared using a special-purpose basis of accounting adopted by the Trust which is a basis of accounting other than accounting principles generally accepted in the United States of America. The special-purpose basis of accounting has been used in order to present the net assets presently available for current and future claims and operating expenses. As a result, the special-purpose financial statements may not be suitable for another purpose. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Special-Purpose Financial Statements

Management is responsible for the preparation and fair presentation of the special-purpose financial statements in accordance with the basis of accounting as described in Note 2 to the special-purpose financial statements. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of special-purpose financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the special-purpose financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Trust's ability to continue as a going concern within one year after the date that the special-purpose financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Special-Purpose Financial Statements

Our objectives are to obtain reasonable assurance about whether the special-purpose financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the special-purpose financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the special-purpose financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the special-purpose financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the special-purpose financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Restriction of Use

Our report is intended solely for the information and use of the Trust and is not intended to be and should not be used by anyone other than the specified party.

Other Matter - Other Information Included in the Annual Report

Management is responsible for the other information included in the annual report. The other information comprises the annual report and account of the Trust for the year ended December 31, 2025, but does not include the special-purpose financial statements and our auditor's report thereon. Our opinion on the special-purpose financial statements does not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the special-purpose financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the special-purpose financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

On January 31, 2011, the Bankruptcy Court entered an order (the Confirmation Order) confirming the modified joint plan of reorganization (the Confirmed Plan) proposed and filed by the Debtors and supported by the Asbestos Personal Injury Committee, the Legal Representative, representing the interests of future asbestos bodily injury claimants, and the Creditors Committee. On January 30, 2012, the United States District Court for the District of Delaware adopted, issued and affirmed the Confirmation Order. The Confirmation Order is final and cannot be appealed. The Confirmed Plan became effective on February 3, 2014 (the Effective Date or the Effective Date of the Plan of Reorganization).

The essential elements of the Confirmed Plan include, among other things: the creation of the WRG Asbestos PI Trust (the Trust) to assume all liabilities and obligations for all Asbestos PI Claims (as defined in the Confirmed Plan) (Asbestos PI Trust Claims) and to use the Trust assets and income to pay the holders of all Asbestos PI Trust Claims in accordance with the Trust Agreement and the Trust Distribution Procedures (TDP) in such a way that such holders of Asbestos PI Trust Claims are treated fairly, equitably and reasonably in light of the limited assets available to satisfy such claims, and to otherwise comply in all respects with the requirements of a trust set forth in Section 524(g)(2)(B) of the Bankruptcy Code.

The Trustees are responsible for supervising and administering the Trust and the use of the Trust's assets and income to pay the holders of all Asbestos PI Trust Claims in accordance with the terms of and the purposes set forth in the Trust Agreement and the TDP.

WRG Asbestos PI Trust

Notes to the Special-Purpose Financial Statements

2. Summary of Significant Accounting Policies

Basis of Presentation

The Trust's special-purpose financial statements are prepared using special-purpose accounting methods adopted by the Trust, which differ from accounting principles generally accepted in the United States of America (GAAP). The special-purpose accounting methods were adopted in order to communicate to the beneficiaries of the Trust the net assets and the related operating expenses of the Trust. Since the accompanying special-purpose financial statements are not based upon GAAP, the accounting treatment by other parties for these same transactions may differ as to timing and amount. The special-purpose accounting methods include the following:

- Assets are generally recorded when they are received by the Trust and are available for the payment of asbestos claims.
- Future fixed liabilities under contractual obligations and other agreements entered into by the Trust are recorded as deductions from net assets in the same period that such contractual obligations or agreements are signed. Under GAAP, liabilities and contractual obligations are recorded over the period that is benefited by the underlying contract or agreement.
- The full amounts of claims are expensed in the period in which the confirmed claims are settled. A settled claim is a claim that has been allowed by the Trust and accepted by the claimant, with an approved release. Under GAAP, a liability would be recorded for an estimate of the amount to be paid for claims that have been incurred but not yet reported, and for those claims that have been submitted but not yet approved for payment by the Trust. There were settled but unpaid claims of \$4,232,869 and \$8,174,802 as of December 31, 2025 and 2024, respectively. Total claims paid during the years ended December 31, 2025 and 2024 aggregated \$191,550,369 and \$215,393,979, respectively.
- Payments for services to be received over an extended period in the future are expensed as paid because these amounts are no longer available for the payment of claims. Under GAAP, an asset would be recorded and amortized over the period in which the related benefits are received.
- Income tax expense is estimated and recorded as incurred in the period in which certain income and expense items affect current federal income taxes payable. Under GAAP, the provision for income taxes is recorded based upon income reported for special-purpose financial statement purposes, and federal income taxes both currently payable and changes in deferred taxes due to differences between financial reporting and tax bases of assets and liabilities. Under GAAP, deferred taxes include a provision for taxes attributable to changes in unrealized gains and losses on investments.
- Insurance recoveries are not recorded until the funds are received from the insurance carriers. These recoveries come from various insurance settlements, which were obtained by WRG and related entities including Debtors and other affiliates and assigned to the Trust. The insurance policies cover, among other things, products and general liability claims. Future recoveries under such settlements have been assigned to the Trust pursuant to the Confirmed Plan. Under GAAP, insurance recoveries are recorded upon settlement and assurance of collectability.

WRG Asbestos PI Trust

Notes to the Special-Purpose Financial Statements

- Under GAAP, for financial statement disclosure purposes, all investments would be categorized based on the priority of inputs used to measure fair value. Under GAAP, inputs used in measuring fair value are categorized into three levels. Level 1 includes inputs that are based upon quoted prices for identical instruments traded in active markets. Level 2 includes inputs that are based upon quoted prices for similar instruments in active markets, quoted prices for identical or similar investments in markets that are not active, or models based on valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data for substantially the full term of the investment. Level 3 includes inputs that are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability. The fair values are therefore determined using model-based techniques that include option pricing models, discounted cash flow models, and similar techniques. The accompanying special-purpose financial statements do not categorize investments into these levels.

Use of Estimates

The preparation of special-purpose financial statements in conformity with the special-purpose accounting methods described above requires the Trust to make estimates and assumptions that affect the reported amounts of certain assets and liabilities and the disclosures of contingent assets and liabilities at the date of the special-purpose financial statements, as well as the reported amounts of additions and deductions to the net assets during the reporting period. Actual results could differ from those estimates and such differences could have a material effect on the net assets.

Cash Equivalents

The Trust considers all highly liquid instruments with original maturities of three months or less to be cash equivalents.

Investments

Investment securities are stated at fair value. Fair value for investment securities, other than alternative investments, is based on quoted market prices for identical or similar instruments traded in active markets as of the date of the special-purpose financial statements. The fair value for alternative investments is based on the Trust's proportionate share of each fund's net assets, as reported as of the date of the special-purpose financial statements. The net appreciation or depreciation in fair value of investments in the accompanying special-purpose statements of changes in net assets consists of realized gains or losses on sales of investments and the changes in unrealized gains or losses on investments held. Investment income is recognized when earned. Interest and dividend income, net of investment expenses and amortization and accretion of bond premiums or discounts, is included in interest and dividend income, net in the accompanying special-purpose statements of changes in net assets. Gains and losses on sales of investment securities are determined using the average cost method.

Accrued Expenses and Accounts Payable

Accrued expenses and accounts payable consist of accruals and outstanding invoices associated with managing and operating the Trust.

WRG Asbestos PI Trust

Notes to the Special-Purpose Financial Statements

Operating Expenses

Operating expenses of the Trust are paid from the net assets when invoices are received.

Claims Processing Expenses

Claims processing expenses are paid from net assets when invoices are received.

Income Taxes

The Trust is classified as a Qualified Settlement Fund pursuant to the Internal Revenue Code and Regulations thereunder (the Code). As a result, the Trust is subject to federal income taxes based on modified gross income, as defined by the Code. In the opinion of the Trustees and advisors, the Trust is not subject to state income taxes and, therefore, the special-purpose financial statements do not include any provision or liability for state income taxes.

Income tax expense is estimated and includes amounts payable or receivable under current federal income taxes.

The Trust records income tax expense (or benefit) associated with amounts payable (or receivable) under current federal income taxes and does not record a provision for (or benefit from) deferred taxes. Accordingly, there is no provision for deferred taxes associated with changes in cumulative unrealized gains and losses on investments (see Note 4). The income taxes associated with gains on investments will be recorded in the Trust's special-purpose financial statements when the net gains are realized (i.e. the securities are sold) and the taxes become currently payable.

The Trust is generally no longer subject to income tax examinations by the Internal Revenue Service for the years ended December 31, 2021 and prior.

Risks and Uncertainties

Certain of the Trust's assets are exposed to credit risk. Cash and cash equivalents are maintained at financial institutions and, at times, balances may exceed federally insured limits. The Trust has never experienced any losses related to these balances. There are no amounts on deposit in excess of federally insured limits at December 31, 2025.

The Trust invests in a professionally managed portfolio that contains common shares of publicly traded companies, U.S. and Canadian government obligations, money market funds, and alternative investments. Such investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the Trust's account balance and the amounts reported in the special-purpose statements of assets, liabilities and net assets.

3. Related Parties

The Trust is a member in the Delaware Claims Processing Facility (DCPF), a limited liability company, under an agreement with several other Qualified Settlement Funds. The purpose of the DCPF is to operate a claims processing facility. At inception, the Trust contributed \$100 in capital to this entity.

WRG Asbestos PI Trust

Notes to the Special-Purpose Financial Statements

The Trust incurred expenses related to the operation of this entity of \$3,096,527 and \$3,218,988 for the years ended December 31, 2025 and 2024, respectively. Expenses charged to the Trust related to the operation of this entity include direct labor expenses, other direct expenses, and an allocation of common costs. There were no amounts due by the Trust to DCPF as of December 31, 2025 and 2024.

4. Investment Securities

Investments in bonds and equity securities consist of the following at December 31:

^(a)Alternative investments within this category use a variety of strategies to diversify risks and reduce volatility. These strategies include seeking capital appreciation through event-driven investments that seek to exploit situations in which announced or anticipated events create inefficiencies in the pricing of securities, investing in securities of issuers experiencing financial distress, investing in event-driven and risk arbitrage securities, and purchasing long and selling short in publicly traded securities and loans. Other strategies of funds in this category include investing in U.S. and non-U.S. companies' debt and equity securities, investing in event-driven situations involving litigation, regulatory or legislative changes, and global investments focused on investments with capital structure changes, spin-offs, recapitalizations, liquidations, and reorganization among other events.

^(b)Alternative investments in this category employ long and short trading strategies in various markets. More specifically, these long/short strategies include preservation and growth of capital over the long term through investments in U.S. and international public equities of consumer related companies, and equities and equity-related securities of companies in the Western European markets.

^(c)Alternative investments in this category employ strategies that seek long-term appreciation of assets through active leveraged trading and investment, primarily in North American, European, and Asian credit markets, as well as investing in a broad array of securities within the leverage finance marketplace. Investments include, but are not limited to, equity and credit market instruments, leveraged loans, high-yield bonds, distressed securities, etc.

^(d)Alternative investments within this category invest primarily in equity securities. The objective of these funds is to achieve maximum total return by investing primarily in equity securities of non-U.S. domiciled issuers by selecting long-term portfolio securities on the basis of research and fundamental analysis, and seeking to take opportunistic advantage of market inefficiencies by trading securities with a shorter horizon, to afford participants an opportunity to obtain long-term growth primarily from a diverse portfolio of global equity securities, and to achieve an attractive long-term rate of return and to outperform the MSCI World (Net) Index over a full market cycle by investing primarily in equity securities listed on global stock exchanges.

WRG Asbestos PI Trust

Notes to the Special-Purpose Financial Statements

5. Income Taxes

During the years ended December 31, 2025 and 2024, the Trust made income tax payments totaling \$6,220,000 and \$505,000, respectively. For the year ended December 31, 2025, the Trust has \$1,826,292 of overpayments from 2024 to apply to future federal income tax liabilities.

As disclosed in Note 2 to the special-purpose financial statements, the Trust does not record a provision for (or benefit from) deferred taxes. Accordingly, there is no provision for deferred taxes associated with cumulative unrealized gains and losses on investments.

6. Insurance Recoveries

During the years ended December 31, 2025 and 2024, the Trust received insurance recoveries from insurers in the amount of \$9,998,791 and \$19,766,383, respectively. Under the terms of settlement agreements with certain insurance companies, the Trust may be entitled to future insurance recoveries. In accordance with the Trust's accounting policies, such insurance recoveries are recorded as an addition to net assets when the funds are received from the insurance companies.

7. Contingent Liabilities

The Plan Documents (as defined in the Confirmed Plan) subject the Trust to certain reimbursement and indemnification obligations that may result in future claims against the Trust. The probability of such claims cannot be reasonably determined. Accordingly, no associated liability has been recorded in the accompanying special-purpose financial statements. Such claims, if any, are not expected to be material. The Trust has obtained insurance for purposes of supporting its obligation to indemnify the Trustees.

8. Liability for Asbestos Claims

The settled but unpaid claims liability at December 31, 2025 and 2024 consists of personal injury claims that were settled and approved for payment by the Trust, but were unpaid as of December 31, 2025 and 2024, respectively. These amounts have been included in settled but unpaid claims in the accompanying special-purpose statements of assets, liabilities and net assets and in personal injury claims settled expense in the accompanying special-purpose statements of changes in net assets for the years ended December 31, 2025 and 2024.

The ultimate number of Asbestos PI Trust Claims to be filed and the liability for all such claims is uncertain at this time. The net assets at December 31, 2025 and 2024 represent funding available for all Asbestos PI Trust Claims for which no fixed liability has yet been established. The net assets at December 31, 2025 and 2024 may or may not be sufficient to meet all future obligations of the Trust.

9. Trust Liability Insurance

The Trust purchased liability insurance requiring premiums of \$424,850 and \$388,434 for the years ended December 31, 2025 and 2024, respectively. The policy term was from February 3, 2024 to February 3, 2025 and was renewed through February 3, 2026. The Trust's accounting policy is to expense in the current period any amounts that will not be available to pay future Asbestos PI Trust
